Exciting Grant Initiatives for 2010

Kids in Need Foundation - This Foundation supports the educational experience of children by supplying school supplies to those most in need. This project works to ensure every child is prepared to learn and succeed by providing the necessary tools to get them started. Through our grant, school supplies will be given to children in the Dayton Public School system in August of 2010, so they are well prepared for the beginning of their school year.

A Kid Again - The goal is to enrich the lives of children with life-threatening illnesses and their families through activities that provide a reprieve from illness. The MAK Fund will be a main sponsor of Miracles in Magic, a magic show that will be held at Centerville

High School in October, 2010. The families, which includes over 700 people, will enjoy magicians from around the world while taking their focus away from their daily hardships. This will be a true adventure in magic and a day out for these families. This event is open to the community. Ticket information will be posted mid-summer at www.markkreusch.com.

2010 Fundraiser

The MAK Memorial Fund is hosting a new and exciting fundraiser! The 100 Holes of Golf MAK-A-Thon will be held on Friday, July 16, 2010, at Sebastian Hills Golf Club in Jamestown, Ohio. Thirty-six golfers will each play 100 holes of golf in one day! They will ask friends and family to sponsor them on a per hole basis (or, just a one-time pledge). Our hope for this fundraiser is to raise \$36,000. In order to achieve this goal, each golfer is asked to raise at least \$1,000 in donations. If you would like to sponsor a golfer, put the golfer's name on the check memo line and mail a check payable to the Mark Kreusch Memorial Fund to : Heather Keighley, 819 George Wythe Commons, Dayton, OH 45459 or contact heatherkeighley@att.net for more information.

A list of participating golfers can be found at www.markkreusch.com. This is going to be our only fundraiser in 2010. Your generosity is greatly appreciated.
